

formerly of Powhattan, KS

**Donna Faye Barnhart** was born at Belleville, KS, June 26, 1944, one of seven children born to Clifford and Lily Novak Grossner. As a youngster, her family moved to the Claytonville Community, south of Hiawatha where she grew up, attended country school prior to graduating from Willis High School. Donna later graduated from Ozark Bible College and sang in the choir there. She said many times this was the best thing she ever done with her life. She left this life October 13, 2021 to take up her heavenly life. She was 77.

Marvin “aka Barney” met Donna on line in 1973. A quick romance ensued as they married that fall, November 6, at Miami, OK. They lived in various places in the Midwest and Montana due to his job of being relocated with the railroad, before the family settled in Powhattan in 1995. Donna and Marvin moved to Rose Hill, Kansas in 2012 to be near family in their retirement years. He died January 26, 2016.

Donna put her family first, taking care of her husband, and children as they were growing up, and later enjoying being a part of the grandchildren and great-grandchildren’s lives. This being said, she still found time to quilt, sing in choir, and play the organ. Donna especially loved family get-togethers, gardening, baking cakes, and had a strong relationship with God.
