USD 409 Looks to Upgrade Sports Facilities

Atchison Public Schools will look for approval to make improvements to a couple of their sports facilities at their regular school board meeting.

The USD 409 board will take the matter up to solicit bids to replace the middle school gym floor and to approve a contract to recoat the high school track Monday evening at seven in the board of education community room.

The board will also look to approve an audit services proposal and Apple lease agreement.

They will also continue discussion on the District Integrated Improvement Plan and the decision to pursue a bond referendum.
