#### Easton Council to Hear Three Public Remarks

The Easton City Council will hear from three members of the public on various issues at their next regular meeting tonight at 6:30 at city hall.

They will hear from Susan Redieck about a potential Girl Scout Project, as well as a potential Cub Scout project to conduct a city clean-up on April 14th, and Chris Blockburger on a proposed RV park.

The council will also discuss a sewer pump situation, a July 4th event and they will look to hire positions in animal control and janitor positions.
