#### Deck Repair Work Set on Amelia Earhart Bridge

The Kansas Department of Transportation says the existing Amelia Earhart Bridge on US-59 in Atchison will be reduced to one lane of traffic Tuesday ( April 24th ) from 8:30 a.m. to 3:30 p.m. for deck repair work.

KDOT says drivers will be directed through the work zone via a flagman at each end of the bridge. Advance warning signs will be in place to alert drivers to the lane closure on the bridge. Traffic will be restricted to one 11-foot wide lane.

Drivers should expect delays and allow extra time for travel during the lane closure.

The project work is scheduled to be completed Tuesday, weather permitting.
