

Peru State Softball Players Named All Conference

In their first year in the Heart of America Athletic Conference (HAAC), the Peru State College (PSC) Bobcat softball team had six players earn all-conference recognition. This was the maximum number for PSC honorees based on the HAAC Softball by-laws, which follow the regular-season final rankings.

Earning first team recognition were juniors Emily Maresh (Central City) and Kristen Bodyk (Paris, Ontario, Canada). Maresh was one of three catchers honored while Bodyk was one of three shortstops named to the first team.

Devin Choate (Beatrice) and Brittany Hooch (Elkhorn) received second team recognition. Choate, a junior, was the lone first baseman on the second team while Hooch, a senior, was among three third basemen receiving honors.

Among the six pitchers earning honorable mention status were Devon Massengale (Elkhorn) and Lyndsay Drumm (Bennington). Massengale is a sophomore while Drumm is a senior.
