Traffic Alert for Roadwork on I-29 in Atchison County

The Missouri Department of Transportation has issued a traffic advisory, as work is taking place on Interstate 29 in Atchison County.

MO-DOT officials say concrete replacement is ongoing on southbound I-29 between the 113.4 mile-marker and the 112.6 mile-marker. Southbound traffic will be narrowed to one lane at that location until Friday, June 1 while the work is completed.
