Bodenhausen to Hold Public Meetings

Informational meetings have been scheduled by Atchison County Commissioner Mike Bodenhausen for the purposes of informing his constituency about upcoming funding for a countywide EMS system, as well as the potential implementation of a solid waste fee.

The meetings have been set up in two locations within his district.

The first one will be on Wednesday evening, June 20, at 7:30 at the Blue Building in Effingham.

The second one will be Thursday evening, June 21, 7:30 at the Lancaster Community Building in Lancaster.
