#### White Cloud Teen Injured in Accident

16 year old Megan Green of White Cloud suffered a non-disabling injury to her lower leg in a two vehicle accident in Falls City early Friday evening.

Police say Green started to cross Harlan Street headed east on 9th Street when the Chevy Cruze she was driving was struck by a southbound car driven by Tamara Simpson of Falls City.

Simpson said her vision was obstructed by a pickup turning west on Harlan. Simpson was issued a citation for failure to yield the right of way.

Green was not transported for her injury.
