Demonstration Plot Tour

A K-State Research and Extension and Meadowlark Extension District will hold a Demonstration plot tour on Friday, August 17th starting at 8:30AM with coffee and rolls at Domann Farms at Winshester located 1.5 miles North of Winchester on Saline to 166th road. Watch for the signs.

Dr. Stu Duncan, NE Area Extension Agronomist will discuss K deficiency and pre-emergent weed control. A rundown of the 2012 plots will also be shared.

For information on this event contact David Hallauer at (785) 863-2212 or dhallaue@ksu.edu. For further information, call the MED - Oskaloosa Office at (785) 863-2212. The tour will end at 10:00AM or shortly after.
