### USD 409 to Have Focus Groups on Bond Proposal

(KAIR) -- USD 409 will have three different educational focus group sessions on the proposed bond initiative on November's ballot.

Superintendent Susan Myers says board members were assigned at Tuesday evening's school board meeting.

The board and patrons also took a tour of the Roosevelt building at Atchison Middle School, which is one of the buildings that will be renovated if the bond measure passes.

The board also heard a state assessment report from Robert Mueller.

Myers says they received their best progress in the last five years in terms of test scores.
