AT&T Kansas President Speaks on 4G LTE Expansion

(KAIR) -- AT&T has now expanded its 4G LTE coverage throughout much of the state.

Officials and dignitaries attended a ribbon cutting Tuesday afternoon at the Atchison office.

(Play Audio)

That's Steve Hahn, AT&T Kansas President, who was in Atchison for the festivities.

The Atchison location is one of 18 store locations across the state.
