Teen Boy Killed In Centralia Lake Accident

(KMZA)--A teenage boy is dead, following what Nemaha County authorities are identifying as a tubing accident.

It happened at the Centralia City Lake when the 14-year-old, being pulled by a boat Monday evening, was thrown from the tube.

Following the accident, which happened shortly before 6:00, he was transported from the scene to Nemaha Valley Community Hospital in Seneca where he was later pronounced dead.

The victim's name is currently being withheld as the investigation continues.
