Survey Results Favor Possible USD 377 Bond Issue

(KAIR)--The results of a recent telephone survey, conducted to gauge public reaction to a possible future bond issue, were revealed to the USD 377 Board of Education during their Monday evening meeting.

Steve Wiseman, Superintendent for the Atchison County Community Schools, says the results are favorable towards the initiative(Play Audio)

Complete results of the telephone survey can be found at the school district's website [here](#).
