Two Atchison Men Arrested on Child Sex Charges

(KAIR) -- Two Atchison men are in custody on child sex charges from separate incidents allegedly involving the same 15-year-old girl.

Atchison Police Chief Mike Wilson says 28-year-old Vincent Price, Junior and 18-year-old Dustin Houston were arrested Tuesday.

Price faces three counts of aggravated indecent liberties with a child, while Houston faces one count of unlawful sexual relations with a child.

Wilson says all the incidents are alleged to have occurred this month.

Atchison County Attorney Gerald Kuckelman says Houston faces a lesser charge due to the age range of the suspect and child being less than four years.

Kuckelman says Houston is also currently on probation for the same charge in Neosho County, Kansas.

Both Price and Houston remain in the Atchison County Jail.

Bond was set at 100 thousand dollars for Price and 20 thousand for Houston.
