#### Hearing in Doniphan Co Murder Case Postponed

(KNZA)--The preliminary hearing for a 25-year-old rural Troy man charged in the August shooting death of another 25-year-old man in Doniphan County has been postponed to December.

The hearing for Eric Burge, which had been scheduled for Tuesday in a Doniphan County courtroom, is now set for December 5th.

Burge is charged with second-degree murder in connection with the death of Matthew Sollars. In addition, he faces charges of unlawful discharge of a firearm in an occupied dwelling and hosting a party that included minors.

Sollars, a native of Leavenworth, died August 13th, one day after the shooting at a rural residence southwest of Troy.

Burge was arrested last week following an investigation by the Doniphan County Sheriff's Department and Kansas Bureau of Investigation.

He's being held in the Doniphan County Jail on \$500,000 bond.
