Curb & Gutter Project to Begin Wednesday in Hiawatha

(KNZA)--A curb and gutter replacement project is set to begin Wednesday, October 23rd in the 200 block of Utah Street in Hiawatha and the city is asking that vehicles be removed from the street during the project.

The city of Hiawatha along with J & B Contractors will be doing the project, which is expected to last 7 to 10 days.

Crews will be starting work at 7:30 each morning and vehicles should be removed prior to that time.

Those with questions should call Public Works Director Dave Grimm at 742-3196 or Brad Rosenberger at 741-2936.
