#### Late Night Fire Destroys Atchison Co Trailer

(KAIR)--No injuries were reported following an Atchison County fire late Monday night.

According to County authorities, the fire was contained to a small camper trailer, owned by Michael Lindstrom, containing a number of items.

Responding fire crews were able to keep the fire from spreading to a nearby residence which did sustain minimal damage due to the heat of the blaze.

The trailer, located at 20939 244th Road, is considered a total loss.

The preliminary investigation indicates the fire was electrical in nature.

Responding to the scene were township fire crews including Walnut, Mount Pleasant and Shannon. Support was also offered by volunteers from Lancaster.
