#### Atchison Police Investigating Damage To Multiple Vehicles

(KAIR)--At least six vehicles in Atchison were damaged Monday night and police believe that each incident is connected. Atchison police chief Mike Wilson explains that all of the the damages occurred in one specific area in the city, with four of the cases occurring on South 7th Street, one on South 8th Street, and one on South 10th Street.

Police say the first report came to them at approximately 11:30 Monday evening, and the sixth and final report came in just before 7:40 Tuesday morning. Each vehicle had at least one window broken. Wilson says that so far, there are no suspects, but police are investigating.
