KAIR Awards Candy Cane Cash

(KAIR)--Atchison resident Albert Goodman left the KAIR Radio Studios 300 dollars richer Thursday morning.

The giveaway was part of the Candy Cane Cash Christmas Promotion.

A total of seven finalists – whose names were drawn at our seven sign up locations – were invited to the radio station Thursday morning to take part in the grand prize drawing.

All finalists opened ripped through their plastic candy canes, but only one had the 300 dollars cash inside, with that cane belonging to a very excited Goodman. Goodman stated that he had only signed up once for the contest, and when asked if he had any plans for the money he won, he simply said that he was going to spend it.
