### Two Falls City Men Arrested for Burglary

(KLZA) -- Two Falls City men are in jail for burglary. 29-year old Keith Ferris and 28-year old Zachary Blunt were arrested Monday for a burglary at the former Harry's Auto building on the south side of the railroad tracks along Fulton Street in Falls City.

Darrel Pfister is the owner of the building. He reported a 1953 Harley Davidson motorcycle along with some other items stolen.

Falls City Assistant Police Chief Jamie Baker said a lead in another case led to the arrest of Ferris and Blunt. Both men are being held in the Richardson County Jail. The motorcycle has been recovered.
