Axtell Farmer Injured in Train Collision

(KMZA)--A farm implement fails to stop for a train and is struck just a mile west of Baileyville. The Kansas Highway Patrol says it happened Friday morning shortly before 8:30 on C Road, just north of U.S. Highway 36 in Nemaha County.

That's where 42-year-old Bruce Buessing, of Axtell, was southbound on C Road driving a farm sprayer. The Patrol says he did not see the Union Pacific train, and did not make a complete stop at the stop sign, leading to the collision.

Buessing suffered disabling injuries and was transported to the Nemaha Valley Community Hospital in Seneca for treatment.
