#### New HCC Director of Technical Education Hired

(KNZA)--An Atchison native has been hired as director of technical education by Highland Community College.

Lucas Hunziger, of Basehor, will begin his new duties with the college on June 1st. He will be located at the HCC Technical Center in Atchison.

Hunziger currently is the industrial technology instructor for Easton USD 409.

Hunziger, who graduated from Atchison High School, holds a bachelor's degree in Technology Education from Pittsburg State University and a master's degree in Educational Leadership from Benedictine College
