Updated Info on David Ryan Davis Arrest

(KLZA) -- A joint effort by the Richardson County Sheriff's Office and Falls City Police Department resulted in the arrest of 30 year old David Ryan Davis in Falls City Tuesday morning.

Davis was wanted on two arrest warrants. Following his arrest Davis was charge with burglary by the Falls City Police Department in connection with a December, 2013 burglary at 810 East 5th Street in Falls City, that is the former Meat Company facility. It is possible that additional charges could be filed against Davis.

Davis was found in the basement of a home in the 2100 block of McLean Street and is now in the Richardson County Jail.

Earlier this week authorities had sought the public's help in locating Davis.
