Atchison Woman Injured In Single Vehicle Wreck

(KAIR)--A single-vehicle wreck on an Atchison County Road Friday morning sent an Atchison woman to the hospital.

According to Atchison County Sheriff Jack Laurie, 83-year-old Norma Pohl was eastbound on 210th Road when she drifted towards the right side edge of the road and overcorrected. She then went across the road and off the left side before striking two trees before coming to a rest on the side of the road.

Pohl was transported by Atchison County EMS to the Atchison Hospital for treatment of non-life threatening injuries.
