Threat With a Brick Lands Wichita Woman In Jail

(KMZA)--A 22-year-old Wichita woman is jailed in Nemaha County following what police say was a destructive incident on Saturday.

Sabetha Police Chief Robert Wahwasuck says his officers responded after receiving word that Holli Batrouny was threatening someone with a brick.

When they arrived, officers found that a vehicle had been damaged, with Batrouny arrested in connection with that crime.

She was taken into custody on charges including criminal trespass, criminal damage to property and aggravated assault.
