### Body Discovered In St. Joseph

(MSC News)--St. Joseph, Missouri police are investigating a body found at Wyeth Hill Thursday morning.

Police say they received information that led them to the body around 8:00 a.m.

According to [KQ2-TV](#), investigators have not released whether the body was a male or female or how the person died.

Police say it appears the body has been there for a while.

The body has been sent to a lab for further examination.
