Neb. Man Dies in NW Missouri Motorcycle Crash

(KTNC)-- A man from northeast Nebraska was killed Wednesday in a motorcycle crash in northwest Missouri.

The Missouri State Highway Patrol says 67-year-old Lawrence Hyman of Wisner was driving a Harley-Davidson motorcycle southbound on Interstate 29, a mile south of Craig shortly after 7:00 p.m., when his bike went off the west side of the road and struck a highway sign. The motorcycle overturned and Hyman was thrown from the bike. Both Hyman and the cycle came to rest off the west side of the roadway.

Holt County Coroner Susan Lentz pronounced Hyman dead at the scene.
