### Salary Increase Approved For Richardson Co Sheriff's Dept

(KLZA)--It's good news for the staff of the Richardson County Sheriff's Department.

That comes in the way of a salary increase approved during last week's meeting of the Richardson County Commission.

Sheriff Randy Houser addressed the issue during the session, requesting from the Commission approval of a 2.75-percent annual salary increase for Sheriff and Jail personnel.

The three Commissioners voted unanimously to approve the increase, which is now in effect.
