New CFO Selected For Marysville's CMH

(KMZA)--A new Chief Financial Officer is selected for Community Memorial Healthcare in Marysville.

According to a press release from the hospital, Beverly Fiferlick is selected for the job, effective immediately.

Fiferlick brings more than 11-years of healthcare experience into the position, and will be responsible for all financial operations at CMH.

She comes from Sioux Falls, South Dakota where she served as healthcare consultant and auditor for over two years. For the past 9-years, Fiferlick served as a reimbursement/financial analyst for 19 rural South Dakota hospitals.

She looks forward to living in Marysville with her husband, Jeff, and their two young daughters.
