New Marshall Co FSA Director Named

A new Marshall County Farm Service Agency executive director is on the job.

Marshall County native Brandon Wilson began work Monday.

He succeeds Keith Tilley, who retired.

Wilson has served as county executive director for the FSA in Nemaha County since 2011, and for a short time will manage both offices until a new director is hired for the Seneca office.

The county executive director is hired by the locally elected FSA county committee.

Wilson has worked for FSA since 2004. Prior to that, he worked for the USDA Natural Resources Conservation Service from 2001 to 2003.

Wilson also owns and operates a farm near Waterville.
