#### Richardson County Board Discusses Courthouse Project

(KLZA)-- Richardson County Commissioners met Tuesday with Dennis Lyon, the architect that designed the specifications for the courthouse exterior restoration project. The lamppost pedestals and the electrical repairs being done were discussed.

Highway Superintendent Scott Huppert also met with the Board updating Commissioners on routine road and bridge projects. Brush complaints were presented and landowners will be notified as needed.

A claim submitted by Rural Water District #1 regarding the expense they incurred repairing the waterline and relocation during the construction of the Humboldt Northwest project was also reviewed by the Board.

The meeting adjourned at 10:30 a-m.
