Three Injured In Atchison Wreck

(KAIR)--A single vehicle wreck in Atchison early Wednesday morning sends three to the hospital.

According to Police Chief Mike Wilson, a vehicle driven by 23-year-old Atchison resident Cinnamon Cash was northbound on South Fifth Street just before 12:30 when it struck a parked vehicle and a tree before coming to a rest on it's side.

Cash and her two passengers, 22-year-old Rachel Pickens and a 1-year-old child, were transported to the Atchison Hospital for treatment of unspecified injuries, with Pickens extracted from the vehicle by the Atchison Fire Department.

Pickens was later flown to a St. Joseph hospital for further treatment.

Wilson says the cause of the wreck is still under investigation.
