#### Auburn School Board Approves Budget with Lower Levy

(KLZA)-- The Auburn Board of Education approved a \$13.8-million budget when they met Monday. The levy will be approximately three cents lower than last year at \$1.0869 per \$100 of assessed valuation. The levy is expected to generate \$5.6-million in tax revenue.

A 10.6 percent valuation increase was responsible for helping lower the levy.

The Auburn Board of Education also voted to increase the deductible for workman's compensation insurance from \$10,000 to \$15,000. That will result in a savings in excess of \$5,000 in premiums.

Action was also approved to purchase closed captioning devices for the school district-owned State Theater at a cost of approximately \$3,300.

A number of policies were also reviewed during the meeting.
