Hiawatha No Longer Delivering Shut-off Notices

As of Sept. 1st, the City of Hiawatha is no longer placing notices on residents properties to warn of possible utility disconnection.

According to a news release from the city, services will still be disconnected at 1 p.m. on the 20th of each month if payment has not been received for utility accounts. If water bills are not paid by 1 p.m. on the 20th, a labor fee of \$15 (during business hours) is required to be paid in order to regain or continue service.

Since the 20th this month falls on a weekend, shut offs for non-payment will happen at 1 p.m. on Monday, Sept. 22.
