### NEK-CAP, Inc. Offers Fun, Critical Life Skills Training

If you would like to learn critical life skills to help you be more successful at work and in life, NEK-CAP, Inc. is offering a fun, fresh approach.

Tackling the Tough Skills classes will be held October 28th - 30th, 2014. Attendance at all sessions will be required to receive completion certificate. Classes will be held at the NEK-CAP Outreach Office, 509

Commercial Street in Atchison from 9:00am to 1:00pm. The program will use a proven life skills curriculum from University of Missouri Extension called Tackling the Tough Skills(tm): A Curriculum Building Skills for Work and Life.

Participants will learn and hone critical life skills related to attitude, responsibility, communication, problem solving, preparing for the workplace, anger management, conflict resolution, critical thinking, self-esteem, teamwork, and dealing with stress.

Many people take for granted such skills as communicating effectively, taking responsibility, and handling anger appropriately, but lacking these critical life skills can seriously impact a person's ability to get along with others at home and at work.

The Tackling the Tough Skills(tm) curriculum has impacted adults and teens around the world since being published in 2000. The curriculum teaches what many call "soft skills," but which are essential skills if a person doesn't have them.

Individuals from various backgrounds have participated in Tackling the Tough Skills training programs offered by such organizations as community agencies, educational institutions and corporations.

The classes will be facilitated by Kara Soph, Martha VanDyke and Soni Moranz, Family Development Advocates. Seating is limited and pre-enrollment is needed in order to ensure that adequate enrollment exists to hold the scheduled session. If the workshop should be full, we will attempt to contact you as to the next available workshop session. If inadequate pre-enrollments are received, the workshop will be cancelled for that location. A light lunch will be provided, but no child care will be available. For more information or to pre-register by October 22nd, contact Kara, Martha or Soni at 913-367-7114.
