Gubernatorial Debate To Be Broadcast Live Locally  
(MSC News)--Kansas Republican Governor Sam Brownback and Democratic challenger Paul Davis will debate Tuesday in Wichita.

The debate is arranged as part of the annual Kansas Association of Broadcasters convention.

It's set to start at approximately 12:40 Tuesday afternoon and wrap-up around 1:15.

The debate will be broadcast live as part of the Noon Hour report on both KNZA 103.9 FM and KMZA 92.1 FM.

Recent independent polling shows the race between the two candidates has tightened in Brownback's favor, with the debate to allow voters a better snapshot of where the candidates stand on the issues prior to casting their vote November 4th.
