Blue Rapids Woman Injured in Wreck

(KMZA)--A Blue Rapids woman escaped serious injury in a single-vehicle wreck in Riley County early Wednesday afternoon.

The Kansas Highway Patrol says it happened on U.S. 77, just south of Randolph, at about 12:15. The Patrol says 77-year-old Pansy Randolph was northbound when her 2006 Cadillac went left of center and left the roadway. The vehicle entered the west ditch, struck a guardrail, and overturned onto the passenger side.

Randolph, who was wearing a seatbelt, was transported to a Manhattan hospital for treatment of possible injuries.
