### Failure To Appear Leads To Seneca Drug Charges

(KMZA)--A Seneca man is facing drug-related charges following his arrest just prior to the weekend.

According to the Nemaha County Sheriff's Department, a deputy spotted 41-year-old Matthew Robke Friday, and, knowing he was wanted on a Seneca municipal warrant for failure to appear, stopped his vehicle.

It's alleged that methamphetamine and paraphernalia were found at that time, and Robke was arrested on related charges, as well as for the warrant.

He was booked into the Nemaha County Jail with total bond, for both the alleged drugs and warrant violation, set at \$2,636.
