### Seneca Rail Road Repairs Extended

(KMZA)--Railroad crossing repair work, just east of Seneca, will continue Wednesday, meaning another day of delays for motorists in the affected area.

The work began Tuesday, and was extended to a second day.

The Kansas Department of Transportation says both the eastbound and westbound lanes of U.S. Highway 36, at the Union Pacific railroad crossing, will be closed to vehicles from 9:00 in the morning until 3:00 in the afternoon.

Traffic will be directed through the work zone by a flagger operation.
