Senator Moran Plans Fairview Visit

(KNZA)--United States Senator Jerry Moran is coming to Fairview.

The Kansas Republican will visit the Brown County community Wednesday morning as part of his Kansas Listening Tour.

Moran is encouraging local residents to attend and share their ideas, saying that much of the work he does in Washington D.C. is based on the feedback he receives in his home state.

Wednesday morning's local stop will be held at the Fairview Community Building, and is scheduled from 9:00 until 10:00.
