### One Injured In Atchison Co Wreck

(KAIR)--A single vehicle wreck on K-116 Highway in Atchison County Tuesday morning sent a Wisconsin truck driver to the hospital.

The Kansas Highway Patrol says the wreck was reported around 9:15 about four miles south and three and half miles west of Effingham.

The Patrol says 41-year-old Matthew Zuehlke was eastbound when his semi left the highway for an unknown reason and overturned onto its side in a ditch.

Zuehlke, who was wearing a seatbelt, was transported to the Atchison Hospital for treatment of possible injuries.
