Semi Driver Injured in Atchison Co Wreck

(KNZA)--A Waterloo, Iowa semi-truck driver was injured Wednesday afternoon in a single-vehicle roll-over wreck on an Atchison County road about 12 miles south of Atchison.

The Kansas Highway Patrol says 58-year-old Kevin Bennett was westbound on 234th Road when he failed to negotiate the left hand curve at Rawlings Road, causing his semi, which was hauling a tanker trailer, to overturn and roll into a ditch.

Bennett was flown by helicopter to Mosiac Life Care in St. Joseph with unspecified injuries.

The wreck was reported about 4:45.
