Fire at St. Joseph Restaurant Remains Under Investigation

(KNZA)-- A St. Joseph restaurant remains closed following a fire Wednesday night.

Officials at the IHOP on North Belt Highway says the restaurant will be closed at least a week to make needed repairs.

KQ2-TV reports the cause of the fire is still under investigation, but inspectors believe it started in a wall between restrooms and went up into the attic.

Damage is estimated at around \$100,000.

No injuries were reported.
