#### Mound City School Meal Prices to Increase

(KLZA)-- The Mound City Board of Education this week approved the minimum lunch price increase in accordance with the National School Lunch Program. Lunch prices for students will be a nickel higher for the next school year at \$2.10. The adult lunch price will be \$2.80 and student breakfast prices will increase from \$1.00 to \$1.25.

High School Principal Korey Miles reported that Dual Credit English II will be offered next year as well as Spanish through Odysseyware. Superintendent Ken Eaton reported the building project contracts have passed through the attorney's tests and that sub-contracts are being issued.

The Certification report verified that all teachers were correctly certified.
