#### KDOT Warns Of Leavenworth Lane Closure

(KAIR)--The Kansas Department of Transportation is warning motorists of a lane closure over Leavenworth's Centennial Bridge Tuesday morning.

According to a release from KDOT, both east and westbound lanes of K-92 will be reduced to one lane in both directions for lighting repair work on the east end of the bridge. The project will start at 9:00, and is expected to be completed by 11:00, weather permitting.

Traffic will be directed through the project work zone via a flagging operation by the city of Leavenworth. Drivers should expect minor delays during the short closure.
