3-Year-Old NW Mo Boy Drowns In Pond

PLATTE CITY, Mo. (AP) - A 3-year-old north west Missouri boy has died after falling into a pond near his family's home.

The Platte County Sheriff's Department says the child died Monday. The department says in a release that an adult family member had stepped inside the home briefly when the boy fell into the pond. The child died at a hospital.

The Kansas City Star reports that the child's name has not been released.
