Emerald Ash Borer Seminar Scheduled

(KLZA)-- A seminar to help you learn how to watch for the Emerald Ash Borer will be held Wednesday evening at the 4-H Building at the Nemaha County Fairgrounds in Auburn.

Nicole Stoner from the Gage County Extension Office will present the seminar which will cover identification of Emerald Ash Borer, signs of infestation on your ash trees, what to do now that the invasive pest has come to Nebraska and control measures.

Pre-registration with the Nemaha County Extension Office is encouraged so enough materials will be available for the seminar. Contact the office by July 5th, at 402-274-4755.
