

Congresswoman Jenkins' 7th Annual Topeka Jobs Fair

Today, Congresswoman Lynn Jenkins (KS-02) announced her 7th annual Jobs Fair, to be held in Topeka on August 11th, 2016 at the Kansas Expocentre, Ag Hall, 1 Expocentre Drive. This event brings together jobseekers with employers looking to hire, and is free to attend for all jobseekers.

“Unfortunately, our economy is still struggling, and there are too many Kansans unable to find the work they need to make ends meet. That’s why, every year, I host a Jobs Fair to connect jobseekers with are companies looking to hire. This Jobs Fair is an opportunity for those looking for jobs to meet numerous employers offering a wide array of employment opportunities for all skills and training levels. I look forward to seeing many eager jobseekers at my Topeka Jobs Fair.”
