Be Watchful for Motorcycles  
**(KLZA)-- Use extra caution.**

**That comes from the Nebraska Department of Roads and the Nebraska State Patrol as they say the end of the summer raises the potential for increased motorcycle traffic.**

**In a press release, the NDOR says 13 deaths have already occurred in 2016 in motorcycle related crashes.**

**Nebraska State Patrol Superintendent Colonel Brad Rice cited the uptick in biker events, such as the annual Sturgis Rally that cause increased motorcycle traffic.**

**The agencies urge caution from both motorists and motorcyclists to ensure safe travel.**
