Splash Pad Project Proposed for Falls City

**(KLZA)-- The Falls City Council has pledged support of the Lane Leadership Group effort to construct a splash pad at Dallas Jones Park.**

**Representatives of the leadership training group explained this week they intend to seek grant funds and go out for donations to place the water feature where the old city swimming pool was located.**

**The project is estimated to cost \$200,000 and would include in-ground and “event” sprayers.**
